
Philippe Van Kerm

Professor of Inequality and Social Policy Analysis

Department of Social Sciences
University of Luxembourg

<http://prophil.vankerm.net>

<https://orcid.org/0000-0002-0639-9097>

<https://scholar.google.com/citations?user=VK3TcncAAAAJ>

Personal Data

Belgian, born 16 March 1973

Academic degrees

- 2001 Ph.D. in Economics (*Doctorat en Sciences économiques*), University of Namur, Belgium
- 1996 B.A. and M.A. in Economics and Social Sciences (*Licence et maîtrise en Sciences économiques et sociales*), University of Namur, Belgium

Employment and occupations

- 2017–present Professor of Inequality and Social Policy Analysis, Department of Social Sciences, University of Luxembourg, Esch/Alzette, Luxembourg
- 2009–2023 Senior researcher, Luxembourg Institute of Socio-Economic Research, Esch/Alzette, Luxembourg
– head of department ‘Living Conditions’ (2014–2017)
– interim scientific director (2012–2013)
– head of department ‘Population & Employment’ (2011)
– head of ‘Graduate Studies Programme’ (2008–2014)
- 2001–2009 Chargé d’études, CEPS/INSTEAD, Differdange, Luxembourg
- 1996–2001 Teaching and research assistant, University of Namur, Belgium

Secondary and un-paid appointments

- 2024– Research director, LIS Cross-National Data Center in Luxembourg
- 2024– Research fellow, Luxembourg Institute of Socio-Economic Research
- 2017–2023 Affiliated senior scholar, LIS Cross-National Data Center in Luxembourg
- 2019– External scholar, Stone Center on Socio-Economic Inequality, City University of New York
- 2017– Senior research fellow, Institute for New Economic Thinking, University of Oxford
- 2017– Research associate, Institute for Social and Economic Research, University of Essex, UK
- 2017–2023 Affiliated senior scholar, LIS Cross-National Data Center in Luxembourg
- 2014– Research associate, ZEW Mannheim (International Distribution and Redistribution programme)
- 2015–2016 Maître de conférence invité, Facultés Universitaires Notre-Dame de la Paix (FUNDP), Namur, Belgium
- 2011–2016 Maître de conférence invité, Faculté des sciences économiques, sociales, politiques et de communication, Université Catholique de Louvain (UCL), Belgium

2013–2014	Senior visiting researcher at the London School of Economics and Political Science, London, UK
2013	Visiting fellow at Dept. of Economics, Business and Statistics, University of Palermo, Italy, June 2013
2011,2013	Visiting fellow at Institute for East and Southeast European Studies, Regensburg, Germany, March 2011, April 2013

Research interests

Interests	Welfare and labour economics with particular reference to poverty and income distribution dynamics, wage, tax and social policy Applied micro-econometrics and computational social sciences
Particulars	Inequality, poverty and income distribution dynamics; Social mobility measurement; Discrimination measurement; Health inequalities; Social protection Econometrics of inequality; Non-parametric statistics; Statistical computing and inferential methods for survey data

Grants and awards

- 2021–2023 Co-Principal investigator, Santé Pour Tous – Socio-economic profile of COVID-19 impacts in Luxembourg, Ministère de la santé du G.-D. de Luxembourg
- 2018–2020 Co-Investigator, Nuffield Foundation grant to Institute for New Economic Thinking, University of Oxford *The Wealth of Families: The Intergenerational Transmission of Wealth in Britain in Comparative Perspective*
- 2018–2021 Principal investigator for Luxembourg on NORFACE research grant, funding from Luxembourg’s Fonds National de la Recherche, for *The impact of childhood circumstances on individual outcomes over the life-course (IMCHILD)*
- 2014–2017 Principal investigator on CORE research grant from Luxembourg’s Fonds National de la Recherche for *Tax-benefit systems, employment structures and cross-country differences in income inequality in Europe*
- 2013–2014 Fonds National de la Recherche Luxembourg INTER Mobility Out grant for 12-months research stay at London School of Economics
- 2011–2013 Principal investigator on CORE research grant from Luxembourg’s Fonds National de la Recherche for *Information and wage inequality*
 – <http://inwin.ceps.lu>
- 2010–2013 Luxembourg country team leader in EU FP7-funded research project *Growing Inequalities’ Impacts (GINI)*
 – <http://www.gini-research.org>
- 2010–2012 Co-investigator on CORE research grant from Luxembourg’s Fonds National de la Recherche for *Household wealth portfolios in Luxembourg in a comparative perspective*
 – <http://wealthport.ceps.lu>
- 2007–2009 Principal investigator on VIVRE research grant from Luxembourg’s Fonds National de la Recherche for *Advances in the measurement of discrimination, inequality and economic mobility*
 – <http://medim.ceps.lu>

2005 SOEP prize for best junior publication 2003-2004 using German Socio-Economic Panel data (2nd prize) for the paper ‘What lies behind income mobility? Reranking and distributional change in Belgium, Western Germany and the USA’ (*Economica*, 2004), Deutsche Institut für Wirtschaftsforschung (DIW), Berlin

Mentoring and research supervision

2023– Federico Scalese Correa (LISER and University of Luxembourg), PhD on ‘Demographic change and wealth inequality’

2021– Angela Jiang-Wang (LISER and University of Luxembourg), PhD on ‘Social norms and behaviours’

2020– Carlotta Montorsi (LISER and University of Luxembourg), PhD on ‘Machine learning analysis of well-being’

2019–2023 Arnaud Mertens (LISER and University of Luxembourg), PhD on ‘Analysis of health inequalities with administrative data’

2018–2022 Ravenna Sohst (University of Luxembourg), PhD on ‘The Challenges of Immigration in the European Union: Essays on Social Impacts and Future Outlooks’

2017–2022 Anastasiya Lisina (LISER and University of Luxembourg), PhD on ‘Inequality dynamics in Russia: evidence and policy impacts’

2017–2022 Emilia Toczydlowska (University of Luxembourg), PhD on ‘Essays on Inequality, Poverty, and Household Income Dynamics in Europe’

2013–2015 Francesco Andreoli (CEPS/INSTEAD), post-doc project on ‘Equalization of opportunity: Models and identification with applications to policy evaluation’ (joint with A. Fusco)

2011–2015 Iryna Kyzyma (BIGSSS, Bremen University and CEPS/INSTEAD), PhD on ‘The effects of social policies on poverty dynamics’ (joint with A. Fusco and O. Groh-Samberg)

2011–2014 Alessio Fusco (CEPS/INSTEAD), CORE Junior research project on ‘Dynamics and persistence of poverty in Luxembourg’ (joint with J. Silber)

2011–2013 Luna Bellani (CEPS/INSTEAD), post-doc project on ‘Social mobility and intergenerational transmission mechanisms’ (joint with D. Van de gaer)

2010–2012 Denisa Sologon (CEPS/INSTEAD), post-doc project on ‘Earnings dynamics and microsimulation’ (joint with C. O’Donoghue)

2010–2012 Michela Bia (CEPS/INSTEAD), post-doc project on ‘Estimation of direct and indirect causal effects using semi-parametric and non-parametric methods’ (joint with F. Mealli)

2009–2013 Anna Diop Christensen (Univ. Aalborg and CEPS/INSTEAD), PhD on ‘The effect of institutions on the labour market outcomes of immigrants in Europe’ (joint with J. Goul-Andersen)

2008–2012 Karina Doorley (UC Dublin and CEPS/INSTEAD), PhD on ‘Fiscal and social policies, gender inequality and the working poor in Europe’ (joint with O. Bargain)

2008–2010 Maria Noel Pi Alperin (Univ. Montpellier and CEPS/INSTEAD), post-doc on ‘Essais sur la mesure de la privation et de l’inégalité’

2006–2007 Stéphane Mussard (Univ. Montpellier), post-doc on ‘Taxation Indirecte, Pauvreté et Inégalités’

Teaching

University of Luxembourg – Master level

Research Techniques in Political Science (15h) – Master in European Governance – annual, 2017–2021

Introduction to Quantitative Research Methods (30h) – Master in European Governance – annual, 2022–..

Social Inequalities and Education (15h) – Master in Social Sciences and Educational Sciences – biennial, 2017–..

Social Policy Change in Comparative Perspective (12h) – Master Management und Coaching im Bildungs- und Sozialbereich – 2020

University of Luxembourg – Doctoral School in Humanities and Social Sciences

Advanced Quantitative Methods for Social Science Research (20h) – annual, 2017–..

Socioeconomic Inequality, Causes and Consequences (15h) – annual, 2018–..

Stata for Social Science Research: Introduction to Advanced Use (15h) – annual, 2017–..

Data Visualisation and Statistical Graphics (15h) – annual, 2020–..

Mata and Stata Programming (6h) – 2018

Luxembourg Income Study Summer Workshops (since 2008)

Annual contribution (3h to 12h) on *The measurement of economic inequality, Distribution regression methods, Wealth inequality, Decomposition methods for distribution analysis*

CEPS/INSTEAD ‘Graduate Studies Programme’ (2009–2016)

Topics in the microeconomic analysis of household surveys: various short courses (2–6hrs) on panel data analysis, quantile regression, inequality measurement, advanced Stata graphics, Stata programming

Other teaching and training courses

Measuring inequality: Principles, methods and applications (30h) – OeNB Summer School, Vienna – 2017

Séminaire d’analyse économique: The economic analysis of social inequalities (30h) – University of Namur – 2016

Séminaire d’économie publique et sociale: The measurement of inequality (30h) – Université catholique de Louvain – 2012, 2014, 2016

The measurement of poverty (20h) – AGRODEP Network training sessions, Dakar – 2012

Panel data econometrics (15h) – EuroPanel Users’ Network (EPUNet) Training Session – 2005

Introduction à la microéconomie (15h) – Facultés Universitaires Notre-Dame de la Paix – 1997

Short courses

Introduction to Machine Learning methods (3h) – LISER Center for Competence on Big Data and Microsimulation – 2023

Income volatility, mobility and inequality: Perspectives and Empirics (1.5h) – Winter School ‘Researching Social Insecurity in Europe: measures, drivers, policies’, Polytechnic University of Milan – 2023

Income distribution models and pro-poor growth (3h) – InGRID Summer School on ‘Advanced poverty research: poverty and material deprivation dynamics’, Esch-sur-Alzette – 2015

Distribution regression methods, International comparisons of income mobility, Wealth inequality (1.5h) – Winter Schools on Inequality and Social Welfare Theory, Alba di Canazei – multiple years since 2010

International comparisons of income mobility (2h) – SOEPCampus Bielefeld – 2009

Occasional lectures on *The role of the State* – ‘Ecole de Promotion Sociale de Namur’ – 1998–2001

Miscellaneous

Editorial activities

Guest editor of *Research on Economic Inequality*, vol. 27, on “What drives inequality?” 2019 (with K. Decancq)

Associate editor for the *Stata Journal* (since 2018)

Associate editor for the *Journal of Economic Inequality* (since 2017)
